

Technical documentation

Pursuant to the COMMISSION DELEGATED REGULATION (EU) 2019/2018 with regard to energy labelling of refrigerating appliances with direct sales function, ANNEX VI.

The technical documentation referred to in point 1(d) of Article 3 shall include the information as set out in Annex V and the information as set out in Table 11.

Supplier's name or trademark:	Sielaff GmbH & Co. KG Automatenbau Herrieden
Supplier's address:	Münchener Straße 20 91567 Herrieden
Model identifier:	FS 1500 / SKA 290
Use:	Display and sale

Type of refrigerating appliance with a direct sales function:

Combination machines consisting of different categories of machine in the same housing and powered by one chiller.	Category 6
--	------------

Product specific parameters

(If the refrigerating appliance with a direct sales function contains compartments working at different temperatures, or a compartment that can be set to different temperatures, the lines shall be repeated for each compartment or temperature setting.)

Volume (dm ³ or L)	Temperature class
204	Category 6
243	Category 6

General product parameters:

Parameter	Value	Parameter	Value
Annual energy consumption (kWh/a)	1070,37	Recommended temperature(s) for optimised food storage (°C) (These settings shall not contradict the temperature conditions set out in Annex IV, Table 4, 5 or 6, as applicable)	7/12
EEI	45,3	Energy efficiency class	D

Light source parameters:

Type of light source	LED DLS
Energy efficiency class	D

Minimum duration of the guarantee offered by the supplier: 1 year parts only warranty

A general description of the refrigerating appliance with direct sales function model, sufficient for it to be unequivocally and easily identified:

Refrigerated combination machine with glass front of the model FS 1500 with cooling unit SKA 290 of the company Sielaff GmbH & Co. KG Automatenbau Herrieden for products are held in stacks and for confectionery & snack held in trays with spirals.

General product specifications:

Parameter	Value	Parameter	Value
Annual energy consumption (kWh/a)	1070,37	Standard annual energy consumption (kWh/a)	2364,03
Daily energy consumption (kWh/24 h)	2,933	Ambient conditions	Set 1
M	4,1	N	0,004
Temperature coefficient (C)	1,10	Y	447
P	1,00		

Additional information:

The references of the harmonised standard: DIN EN 50597:2018

Identification of the person empowered to bind the supplier:

Mr. Dipl.-Ing. Manfred Murr, Head of Development, Sielaff GmbH & Co. KG Automatenbau Herrieden, Münchener Str. 20, D-91567 Herrieden

A list of equivalent models, including model identifiers:

FS 1500 EC 02 (3210000032) / SKA 290
